ABOUT ME:

I am a dedicated undergraduate Software Engineering student who began my higher education journey after completing O/L examinations. I am passionate about technology, programming, and continuous learning. I am eager to develop my skills through practical experience and contribute effectively to real-world software projects.

EDUCATION:

INSTITUTE OF SOFTWARE ENGINEERING (IJSE) 2025-Present

Higher National Diploma in Software Engineering

CERTIFICATION DIPLOMA IN ENGLISH 2025

Sri Lanka English Language Graduates' Association

GCE ORDINARY LEVEL (O-LEVEL) 2023-2024

G/ Ethkandura Seewali M.V.

CURRICULAR ACTIVITIES:

School Cricket Team: Represented the college team in inter-school competitive tournaments, demonstrating strong teamwork, strategic thinking, and resilience.

School Volleyball Team: Active member of the volleyball squad, contributing to team coordination and maintaining high physical endurance during district-level matches.

School Media Unit: Served as a key member of the Media Team, covering major school events through photography and technical support, while enhancing communication and broadcasting skills.
